PRINCIPAL'S REPORT  
Student Free Day Monday 19th of May
Reminder to families that students do not come to school on Monday next week as the teachers will be working together in teams to prepare for the writing of student reports.

Twilight School Day!
Also next week, as part of our Education Week celebrations, we have a Twilight School Day! Thank you very much to everyone for supporting this event as we have had a lot of positive feedback about the experience for the students and their families. The whole purpose of the Twilight School Day is to give parents the opportunity to visit their child’s classroom to watch them in action! All supervision and food orders should have been returned today. I just wanted to use this weeks newsletter to clarify some of the key organisational issues to ensure that we once again have a successful school event. This includes:

- School on the 22nd of May starts at 1:00pm and finishes at 7:15pm.
- Parents/grandparents (or other key family relations or family friends) are encouraged to arrive at any time of the day for as long as they would like to stay. However, it will be important for parents to remember that it is a normal school day and that students will be expected to stay at school until the end of the day (unless they have after school sports/music session - the decision to attend the session is up to the parent/student – parents are encouraged to pick up their child from school at any time to attend the training session/lesson).

Please sign in at the office when you arrive.
- Students should arrive at school after 12:45pm as this will be when the yard is supervised. If students are walking or riding to school please remind them to use school crossings and to be extra careful.
- At the end of the school day students must be collected from their classroom. Please let your child's teacher know if someone else will be picking up your child on the day. Note for safety reasons students will not be allowed to walk home from school.
- Attached with this newsletter is a map of the school crossing that will be staffed on the day of Twilight School.

We hope all our families take the opportunity to enjoy this experience with their child! It is a celebration of learning and a great positive message for the students!

Term Three School Evening Event!
Note for the calendars! We are having a Bush Dance Picnic Night from 6:00pm to 7:30pm on Wednesday September 10th 2014! Yes! Dust off your Cowboy or Cowgirl boots and find your fanciest flannelette shirt as we are going country for the day! Students will spend the day boot scooting and heel and toeing (is this actually a word!) followed by an evening sharing their new dance steps with their families! A fun night to let our hair down! More information coming soon!

Hope to see everyone next week!

Twilight School Organisational Details

Thursday 22nd of May 2014

To showcase and celebrate the learning experiences offered at Sunshine Heights Primary School, on Thursday 22nd of May 1:00pm – 7:15pm the students will have the opportunity to experience a ‘Twilight’ school day. On this day the students will arrive at school at 12:45pm for a 1:00pm start with school finishing at 7:15pm.

Twilight School will give parents/carers/grandparents the opportunity to visit and enjoy their child’s classrooms in action. We will also use this event to invite our kindergarten friends and families!

The school day times on our Twilight School Day will be as follows:

1:00 – 3:00pm    Session 1 and 2
3:00 – 3:30pm    RECESS
3:30 – 4:30pm    Session 3
4:30 – 4:40pm    Eating time
4:40 – 5:30pm    OUTSIDE TIME (this may vary depending on the time that the sun will be setting)
5:30 – 7:15pm    Session 4 and 5

Students will be expected to arrive at class/school at 12:45pm. At the end of the school day parents will be asked to pick their child up from the classroom. No child will be allowed to walk home from school – this is the same policy that applies for school concert nights. Parents will also be asked to inform the class teacher in writing prior to the day of alternative picking up arrangements (e.g. uncle/friend picking up student).

Parents/carers are encouraged to arrive at any time of the day for as long as they would like to stay. However, it will be important for parents to remember that it is a normal school day and that students will be expected to stay at school until the end of the day (unless they have after school sports/music session - the decision to attend the session is up to the parent/student – parents are encouraged to pick up their child from school at any time to attend the training session/lesson).

Other important information:

- Police will be contacted to support at school crossings if official school crossing personnel are unable to man crossings before school starts – between 12:30 – 1:10pm.

- Staff members will man all school crossings (not just the ones around the school boundary) used by students before school starts. Crossings supervision will commence at 12:30pm. It would also be good to have parent volunteers assist with school crossings.

- A map of the school crossings that will be manned between 12:30pm and 1:10pm will be provided to all families.

- Parents will be required to sign in at the school office prior to visiting their child’s classroom.

Twilight School will prove to be an exciting day for the students and the whole school community!

Please contact the school if you have any further questions regarding ‘Twilight School’
