PRINCIPAL'S REPORT

Dear Parents/Carers,

I wanted to use the newsletter this week to share a few key reminders. This includes:

Parent Teacher meetings Wednesday 22nd of February

Reminder that Parent Teacher meetings are scheduled for next week on Wednesday 22nd of February. Hope everyone has booked their meeting time online. Please contact the office if you need any assistance. To accommodate all the Parent/Teacher meetings on the same day/evening, the specialist teachers and leadership team will be supervising all the students from Year 1 to 6 so that parents and teachers can meet in their child's classroom from 1:00pm. The activities that the students will be participating in is yet to be confirmed but may include a Movie afternoon or Harmony Day rehearsal.

The first meeting of the year is a chance for parents and teachers to meet in a formal situation to begin a new working partnership. It is an opportunity for parents to share information about their child and to get to know their child's teacher.

Hope to see you some time during the day.

'Buy a book for our Library' – Fundraising event!

Reminder that we also have our first fundraising event of the year being held on the same night! Our goal is to add 250 more books to our library! Prior to or after your meeting with your child's teacher, head over to the office area and 'Buy a book for our Library' from the Younger Suns bookshop. Information about this event was sent on a pink notice to all families yesterday. Keep an eye on Tiqbiz for tally updates!

Prep Parent Information session

Tomorrow morning our School Based Coaches Gail and Sonia will be running a Prep Parent information session about how we support the students in the classroom with becoming readers, writers and mathematician. The purpose of this session is to give Prep parents the chance to ask any questions now that their children have been at school for two weeks.

Finally, a big project that we are aiming to achieve this year is beginning some work on our grounds master plan! This will be one of the main roles of the School Council Buildings and Grounds subcommittee. Look forward to sharing more news about this in the coming weeks!

Hope everyone had a great week!
