PRINCIPAL’S REPORT

Dear Parents and Carers,

Thank you very much to Sharon Noel for filling in for me over the past 2 and half weeks as I had the chance to enjoy time with family and friends! Sharon mentioned to me when I returned from leave how lucky we are as a school to have so many staff that are willing to help out and share the responsibility of the functioning of the school! This is one of the main reasons why I enjoy working at Sunshine Heights Primary School so much.

During my leave I headed over to Fiji with friends and even had the chance to attend my daughter’s school excursion to the Werribee Zoo!

My first day back from leave was a whirlwind experience as we welcomed our 2015 Prep family and students for the first transition session and our 3/4 students headed off for their three-day camp! It was great to have so many families join us for the first transition session as it is a key part in ensuring the students next year have a successful start to their primary school life!

Big congratulations to the student leaders for organising and delivering such an inspiring Remembrance Day ceremony on Tuesday. Unfortunately I was unable to attend the ceremony but the staff were very praising of the students and the manner in which they conducted the ceremony!

On Thursday this week I also decided to head off to visit the 3/4 students at their Malmsbury Camp (which is why the newsletter is going home today) to say hello and to see how things were going. It was a very impressive camp and the students were having a great time.

Sorry for the short newsletter this week – it has been a busy return from leave! I’m keen to share some of my Fiji adventures in future newsletters, which included visiting couple of local schools!

Hope everyone had a great week!

Got kindness? Give it.

This year, the Uplift Collective have been focusing on mindfulness and kindness in our school community. With the upcoming event – ‘Be Yourself, Express Yourself, Love Yourself Day’ on Tuesday 25th November, we want to spread our kindness and mindfulness.

We are inviting you to give something SMALL to make a BIG change. On the day, we will be supporting the YGAP 5c Campaign and we are asking if you could contribute one five cent coin, or a few. We will send collectors around to classrooms and have a collection tin at the front office. If everyone in the school is able to bring a 5c piece, this can make a big difference to those less fortunate.

We are also supporting the West Welcome Wagon who do amazing things to help settle newly arrived refugees in the Western Suburb. We are asking families to contribute to a food drive for the Welcome Wagon. Cans of food or packets of pasta/rice are great. Again, if we all contribute one can of food; this could make a REAL difference.
