There have also been a variety of other learning experiences that have occurred outside the classroom. Some students have been involved in our Swimming and Athletics programs, some have shown us their performance skills in So You Think You Have Talent, whilst others have taken on responsibilities in fundraising. Students have made and sold cakes, collected food and clothing for families in need, bought shoelaces for homeless youths and even taken over the canteen to provide great healthy food choices for the whole school. And let’s not forget another successful Father’s Day breakfast – they seem to get bigger and better every year!

Finally we have topped everything off at the end of term with a fantastic community get together at our 60th birthday celebrations! The weather was wonderful, the learning exhibition was full of admirers and the band rocked on whilst we all took the opportunity to connect with new and old friends. What a wonderful way it was to finish off a great term!

Thank you to everyone for their participation and support throughout the term. I hope that everyone has a happy and safe break.

FOOTY COLOURS DAY
Friday 16\textsuperscript{th} September

What is it?
More than 800 Aussie kids and teens are diagnosed with cancer every year. During treatment and recovery they can miss hundreds of days away from school, friends and family. Each year thousands of Australians unite and wear their favourite footy colours to help raise money to give children and teens living with cancer a brighter future.

How we at Sunshine Heights Primary School can help:
- Donate a gold coin and come dressed in your footy colours (AFL, Soccer, NRL)
- Buy a delicious cupcake or muffin for $1 at recess - YUM!

Total of funds raised will be announced at assembly.

Thank you for your support!
