PRINCIPAL'S REPORT

What's happening at Sunny Heights?

For those parents who are fortunate enough to be able to drop in to the school regularly I'm sure they would agree that there are lots of wonderful things happening around the school. But for those that don't get that opportunity, let me share a few things with you.

Prep

The Prep students have created amazing dioramas depicting their favourite animal in its natural habitat. Students have put a lot of thought into this work, researching to find out about their animal's needs and have come up with some creative ways to show this in their models.

Grade 1/2

The Grade 1 and 2 students have been reading, investigating and finding out all about their favourite authors, Anthony Browne and Jeannie Baker. They are reading lots of books by these authors and have been inspired to use some of these crafts in their own writing.

Grade 3/4

The Grade 3 and 4 students are really enjoying their mathematics focus. They have been looking at collections of fractions and linking this to their knowledge and understanding of division – both of which focus on equal sharing.

Grade 5/6

The Grade 5 and 6 students have been fully immersed in their writing. They have considered the purpose for their writing and their intended audience and most students are now working on publishing a piece of their choice. The Grade 6 students have been reminiscing

about primary school life as they work on their writing piece for their Graduation.

Art

Students are putting the finishing touches on their work for the Art Show, including scenes from Kororoit Creek 'Recycling Sculptures' and collages depicting natural disasters.

Multimedia

Students are flexing their creative muscles using 'Stop Animation' to depict natural disasters using animation.

Physical Education

Students have been playing a variety of different games. These are not only fun, but promote good health and fitness and are a valuable way to teach students about teamwork, cooperation and good sportsmanship.

Science

The Science Room is a hub of investigation and creativity. Some students have been investigating rainfall and what happens to the water after it rains. Others are working on producing dioramas and models of the solar system using paper mache and foam balls.

Spanish

Senorita Irene has set up a beautiful display of books written by our students in Spanish to help them learn the names of some animals and to describe their features.

Drumming

As always, there are amazing beats and rhythms echoing from the drumming room.

Hope everyone has had a great week.

UPLIFT COLLECTIVE FUNDRAISING NEWS

*Raising extra funds for kids, thanks
to the work of our students!*

2015 Fundraising	\$4,633.00
Easter Raffle 2016	\$ 950.10
Mother's Day T-Shirts	\$ 859.28
Father's Day	\$ 770.05

Please note that money raised in 2015 was to be used to contribute to the creation of an outdoor space for the students. This project has been delayed due to the works occurring in relation to the \$421,000 Government Grant and will commence in Term 4.

Don't forget to wear your hat, if you don't have your hat you need to stay inside.

School Magazine

Just a reminder to families and students that orders are now being taken for the 2016 School Magazine.

Order forms are available from the office, if you would like to purchase this year's magazine of memories they are \$20, please get your order in as soon as possible.

**Congratulations Everyone
Great Achievement!**

Friends of Kororoit Creek Poetry Competition

The Friends of Kororoit Creek would like to congratulate every single student who entered the poetry competition. We were bowled over by all of the wonderful entries. From all around Brimbank we had one hundred entries from primary schools alone!

There were four winners in the primary category and two of those were from our very own Sunshine Heights Primary School. Congratulations to **Grace Li** and **Anastasia Lokhorst** for their beautiful winning entries. All other entries will be shown in an exhibition in early 2017 and some will also be made into a limited edition book. We will keep you posted. Cheers!

Sunny Bees Working Bee

On Thursday 8th December the Sunny Bees will be working in the garden from 9:15 to 10:30am. They will be tidying up the new planting at the back of the oval and are hoping to do a bit of weeding, watering and mulching.

If you have any time to spare it would be much appreciated!
