Of the food chain so they could get everyone all they had to do was tag them, then the human/herbivore carnivore would have to give the disease one of their tags and then they got a 30 second head start. The humans were the hardest to get away from because all they had to do was see you and call out your name and then you gave them a key tag and continue with game. Carnivores had the same method as the diseases except that the carnivores can only tag herbivores and the herbivores couldn’t tag anyone they could only hide. That was the rules of the game and it was really fun. After about 2 hours we stopped and added up the scores – guess who won - THE HERBIVORES!!!!

Raiqui Santiago (6B), Faiza Hashi (6B) Preetha Anantha (5A) and Belinda Vu (2B)

Congratulations girls, well done!
The survival game was a really fun game. It was in the bush and it was very, very hot. After the game we were sweaty. In this picture Zali is getting tagged by me and Phillip. We wore string on our body to tell us what team we were on. We all had a great time and needed a rest when we got back to Sunnystones.
Zali and Leo (3B)

In this picture we were doing treasure hunting. We were trying to find little toys and each toy was worth different points. We used a GPS to find the treasure. Team 11 won and the prize was just winning!!

At camp we did canoeing. It was a bit hard but we all had a go. The funny thing about canoeing was that some kids fell into the water and got soaking wet. They needed to back up to camp for a shower! Some kids were really nervous but they still had a shot. We had a fantastic time.
Dina and Krimyzn-J (3B)

At the disco we used our torches for disco lights. We are dancing to the song Whip Nae Nae. We were wearing our PJs and had so much fun but got exhausted. We went crazy and Ms Trifiletti was handing out lollies. We also wore heart glasses. It was the best time of our lives.

Planning for 2016
Students leaving Sunshine Heights PS in 2016

Effective planning for 2016 is reliant on ensuring that we have accurate projected student enrolment numbers.

To support us with finalising our plans and employing the correct number of staff for 2016, if you know that your child will NOT be attending Sunshine Heights Primary School next year could you please complete the tear off slip below and return it to the office as soon as possible. We do understand that family circumstances will change from time to time and as such children need to move schools.

(Note we do not need notification from our current year 6 students).

Please detach and return to office

Plans for 2016

My child/ren ................................................................. of Year ........................................ will not be returning to Sunshine Heights Primary School in 2015.

At this stage I anticipate they will be attending: .................................................. Primary School.
