fortunate to be part of such a wonderful staff and appreciate the way everyone is more than willing to step up and lend a hand.

Works occurring at the school
We are still waiting to hear exactly when the works will commence.

Underground Storage Tanks
From around the 24th of May 2016, four decommissioned ‘Underground Storage Tanks’ will be removed from the school. These tanks were used many, many years ago to store fuel for the heating system of the school. These works will be funded and project managed by the Department of Education. They are aiming to complete these works by Friday 17th June 2016. The contracted company of the works will be provided with an Environmental Management Plan prepared by the Department of Education to ensure the safety of students, staff, parents and visitors at all times. These works will modify our movement around the school for the safety of the students, staff, parents and visitors. All staff will be briefed with the modifications so that they can support the students.

The modifications will include:

- Temporary fencing – around all areas where works will be occurring.
- Temporary walk ways created if required to ensure that the students are able to move around the school safely.
- No access in certain areas between Building A and B (this space will be used for the workers to store their equipment).
- Relocated line up area for Students in Year Prep, Year 2, Year 3, Year 4 and Year 5.
- Reduced number of staff car parks spaces during certain days.
Once we have a date for these works to start the Leadership Team will be meeting with the company to ensure that all management plans and safety procedures are in place.

Hope everyone has a great week.

Jacinta Goldie
Acting Principal

**News from the Library**

It’s time to get your thinking caps on and prepare for next year’s **Book Fair** which begins on **Monday July 18th** and continues until **Friday July 22nd**. In keeping with the Children’s Book Council of Australia this year’s theme is “Australia – Story Country”.

We will hold our dress up day on the Friday. We invite everyone to come dressed as something “Australian”. Some ideas are - Ned Kelly, a convict, Dame Edna, an Australian animal (kangaroo/koala/wombat/echidna etc.) a life saver, Crocodile Dundee, a sportsman/woman, a Wiggles, Bananas in Pyjamas, a lamington, Kath or Kim, Bob the Builder, a jackaroo….we’re sure you can come up with some others.

It’s going to be an exciting week….can’t wait!

Brenda Ransome
Library Technician

**Reminder: Student Free Day on Friday 3rd June**

On this day the staff will be at school working on preparing and writing the mid-year pupil reports. Thank you to all the parents who took the time to think about the questions that they would like to see addressed in the report. We hope that this will make the report more relevant for you. Some questions that require a more detailed response may be discussed at the interviews which are scheduled for Wednesday 22nd June.

Remember, if you have any concerns about your child’s education or wellbeing, you do not need to wait for reports or parent-teacher interviews. Please feel free to arrange a time to meet with the classroom teacher at any time. World 4 Kids will be operating on this day.

**THE CARDBOARD CLUB**

After finding out about Caine’s Arcade we were inspired to make our own Cardboard Club. We meet once a week to make arcade games out of cardboard. During Twilight School we had the grand opening of our Super Fun Time Arcade. We liked to see people enjoying themselves and having fun playing our games. Look out for the next opening of the arcade! When you are playing the games please treat them with respect. Thank you!

Maka, Jackie and Imogen (Cardboard Club members)
