PRINCIPAL’S REPORT

Dear Parents and Carers,

REMINDER THAT THERE IS NO SCHOOL ON MONDAY 3RD – Student Free Day AND TUESDAY 4TH OF NOVEMBER – Melbourne Cup Public Holiday.

Grade 5/6 Camp
52 excited students and 6 smiling staff members boarded the bus and headed off to Phillip Island Adventure Resort on Wednesday. I am sure that they are all having a wonderful time, taking part in a variety of activities and building those friendships that will last beyond their primary school days. We look forward to hearing all about it when they return on Friday afternoon.

Fresh Produce
The Grade 6 students will be selling a variety of home grown products after school on Friday. The stall will be located at the front of the school.

Bike Racks
It is great to see that our new bike racks are being used every day. Just a reminder – Students riding bikes or scooters must wear a helmet and must have a lock.

Annual Implementation Plan (A.I.P)
This plan will outline our key priorities for 2015 in student learning, student wellbeing and student engagement. Staff will work on developing this document after school for two late evening meetings during November. When the A.I.P is finalised it will be available on the website for the community to view.

Happy Holidays Mr. Artavilla
We hope that Mr. Artavilla is having a wonderful time while he is on leave. He will be back at school on Wednesday 12th November. Please feel free to contact me during this time.

EXPRESSION OF INTEREST

Grade 6 Mothers

As this is our last year together for our grade six children, I was thinking it would be nice for all the mums to get together for dinner. I am happy to organise the dinner for just before the end of the year.

Any mums interested please contact Penny (Dimitra Halkidis from 6Bs mum) on 0412 792 345.

Come try MILO in2CRICKET

Our come & try night is

THE ARTS NEED YOUR HELP

Most of the time, we have all the resources we need for our art projects in our storeroom, ready to go for the term. But sometimes we need a little help with the donation of household items and recycle materials.

This term, as our **GRADE 3 AND 4 STUDENTS** are exploring the amazing artwork of Louise Nevelson, and creating assemblage sculptures, we need your help.

Do you have any small bits and bobs, lose ends lying around the house? If your house is anything like my house, you’ll have a hundred odd washers, screws, heads from toy soldiers and so on and so forth, lying around the place. Well we need those bits and bobs and lose ends. **NEEDED** – old discarded small toys, old construction items (nothing sharp. Washers, screws, bolts etc. will be perfect), old kitchen utensils, or any items like these that we can use for our sculptures would be AWESOME!

For the **GRADE 6 GRADUATION ARTWORKS**, we are also in desperate need of some old wooden boxes (like those old fruit boxes or old wooden storage boxes). Grade 6 students will also need to bring in some items that remind them of their primary school years to use in their art work (small items, photos etc.) Please note, these items will NOT be returned.
This term we will:
- continue planting and watering our new trees.
- complete the Grade 6 footprint by planting out the area outside the Grade 1 lineup with some lovely plants.
- finish painting the seats, fire hydrants etc, plus a mural.

GET INVOLVED WITH THE AUSSIE BACKYARD BIRD COUNT!
Join thousands of people between 20 - 26 October to take part in the Aussie Backyard Bird Count - BirdLife Australia’s nationwide bird survey. All it takes is 20 minutes in your backyard, or favourite outdoor space, local park, beach, forest or paddock, to be a part of this exciting event!

A big thanks to the Grade 6 students for their Fresh Food stall selling parsley and spinach from our very own school vege patch.
