Parents can then head back to enjoy the Art Show or live performance from Louis.

Performances begin at 6:25pm.

During the evening, we will also launch our new school logo and share the 2017 Harmony Day video! Plus we will be concluding the evening with fireworks thanks to World4Kids!

IMPORTANT INFORMATION REGARDING THE COLLECTION OF STUDENTS

Parents of Prep to 2 students will be asked to pick up their children immediately after their performance so that the students can enjoy the rest of the evening with their families. The process for this includes:

- After performance teachers will take classes to the concrete slab behind stage next to vegetable garden.
- When you have collected your child, let the teacher know so that they can tick their name off on their list.

For the Year 3 to 6 students at end of evening teachers will take students back to their classroom to be collected. Parents to collect students from classroom.

Hope you can join us for another amazing evening and celebration!
